

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION

UNITED STATES OF AMERICA,  
Plaintiff,  
v.  
JONATHAN CHANG,  
Defendant.

Case No. 16-cr-00047-EJD-1 (VKD)

**ORDER STRIKING DEFENDANT'S  
MOTION FOR PERMISSION TO  
TRAVEL TO TAIWAN WITHOUT  
PREJUDICE**

Re: Dkt. No. 566

The Court strikes defendant Jonathan Chang's motion for permission to travel to Taiwan. See Dkt. No. 566. The motion effectively requests a temporary modification to Mr. Chang's conditions of release. It is unclear whether the United States opposes the motion or whether Pretrial Services has been consulted for its views. As Mr. Chang's request is not presented as a stipulated request for relief pursuant to Criminal Local Rule 47-4, it must be presented as a noticed motion pursuant to Local Rule 47-2, or if appropriate as an *ex parte* motion pursuant to Local Rule 47-3. Because Mr. Chang's motion does not comply with this District's Criminal Local Rules, the Court strikes the motion. Mr. Chang may refile an appropriate motion that complies with these rules.

**IT IS SO ORDERED.**
